CHINHOYI UNIVERSITY OF TECHNOLOGY

Dear Sir/Madam

Re: APPLICATION TO ATTACH OUR STUDENT AT YOUR ORGANISATION

FREDRICK T MUZEMBE, Registration number, **C211454231** is a Conventional Degree student (Bachelor of Science Honours Degree in Information Technology) at *Chinhoyi University of Technology* (C.U.T) and is applying to be attached at your organisation for a period of at least eight (8) months for the period *July 2023 to July 2024*.

The attachment aims to:

- Provide industrial exposure and experience to the student.
- Help the student to put into practice the experimental and theoretical skills learned at college.
- Help the student to identify and solve industrial problems.
- Develop the student's perceptions of career choices.
- Help the student to understand the structure of organisations and industries.

The University approves organisations or industries with:

- IT departments having at least six (6) computers (preferably networked).
- Qualified industrial IT supervisors or training officers to supervise the student's performance.

Thank you,

A handwritten signature in black ink, appearing to be 'R. Chimheno'.

Ms R. Chimheno

Attachment Coordinator – ICT and Electronics Department

Dear Sir/Madam,

I am writing to express my interest in the IT attachment position at your esteemed organization. As a student currently pursuing a degree in Information Technology at Chinhoyi University of Technology, I believe that this opportunity will enable me to gain valuable hands-on experience and enhance my skills in the field.

Throughout my studies, I have acquired knowledge and skills in various areas of IT including programming languages such as Python, web development, database management, networking, mobile App Designing. However, I recognize that practical experience is important in becoming a well-rounded professional in the field. In addition to my technical skills, I possess excellent communication, teamwork, and problem-solving abilities which I believe are essential for success in any IT role. I am confident that I can contribute positively to your team and help achieve your organization's goals.

I am excited about the prospect of contributing my skills and learning from experienced professionals in your organization. Through this attachment, I hope to learn industry best practices, develop my technical abilities, and gain exposure to the latest technologies and trends in the field. I possess excellent communication and teamwork skills which I believe are essential for success in any IT role. I am also a quick learner and able to adapt to new environments and challenges. What sets me apart from other candidates is my passion for solving complex problems and developing innovative solutions.

Thank you for considering my application. I look forward to the opportunity to discuss my qualifications further and contribute to your organization's success. . Please feel free to contact me at your convenience.

Sincerely,

Fredrick T Muzembe

PERSONAL ATTRIBUTES

Hardworking and dedicated.

Personal summary

I am desirous of affiliating myself with an establishment that exhibits extensive potential for future expansion and endows a profusion of prospects for erudition. I possess full conviction in my ability to furnish the most optimal of my knowledge and aptitudes in a demanding milieu, while striving diligently towards advancing both the organization and myself through exemplary performance. Adhering to directives and instructions comes naturally to me, and I derive immense satisfaction from accomplishing tasks with utmost proficiency. Furthermore, I place great emphasis on maintaining a well-organized and hygienic workspace that encourages efficiency. Moreover, I am actively pursuing avenues to apply and augment my proficiency in Information Technology and seek to glean insights from seasoned professionals in this domain.

HOBBIES AND INTERESTS

Gaming ,reading and staying up to date

EDUCATIONAL BACKGROUND

1. BACHELOR OF SCIENCE HONOURS DEGREE IN INFORMATION TECHNOLOGY

RESULTS

LEVEL 1 SEMESTER 1 AUGUST 2021 - DECEMBER 2021

<u>Modules</u>	<u>Grade</u>
Computer Mathematics	B-
Communication Skills	A-
Introduction to statistics	B-
Introduction to procedural programming	B -
Computer Organization and architecture	B-

LEVEL 1 SEMESTER 2 MARCH 2022-JUNE 2022

<u>Modules</u>	<u>Grade</u>
Operating Systems	C+
Numerical Methods	B
Database Systems	B+
Visual Languages And Programming	B-
Software Engineering	A-

LEVEL 2 SEMESTER 2 AUGUST 2022 - DECEMBER 2022

<u>Modules</u>	<u>Grade</u>
